FY 2001 Cancer Prevention and Control Programs**

AGENCY NAME	SERVICE AREAS	CHNA*	AMOUNT (\$)	COMMENTS
Women's Health Network (WHN) – FY01 Statewide Total = \$4.7 million (based on preliminary estimates) Approximately \$3.7 million in open order funding and \$1 mil in cost reimbursement funding. Funding provides for breast and cervical cancer screening and diagnostics, outreach, education and case management. Some programs also provide chronic disease screening services as part of the Well Women program (MWWP). MWWP funding is included in the WHN statewide total. Regional and Specialized Outreach programs receive cost reimbursement funding (\$546,904 and \$517,678 respectively) and a small percentage of open order funding. Medical service programs, with the exception of two new programs, receive only open order funding.
